Dear Justice Maure D Corrigan:

Last month I sent you eleven "acts or omissions" to be added as MISCONDUCTS. I have since discovered that MISCONDUCT #1 may be confusing and mistyped. Please direct that my list be amended as to #1 for the sake of clarity. It should read:

- 1: A paid for or appointed (PoA) ATTORNEY's sole duty must only be to fully represent his client's wishes. Attorney who believes in dual allegiance to his client '&' state, crown, bar, justice or personal ideas is in conflict and attorney must immediately certify a letter to client detailing conflict & offer full refund.

Please allow this to expand the grounds for Attorney Grievance Misconducts.  
MCR 9.104 = MROPC Adm File 2006-38 Prison Mailbox rule assured timeliness

Sincerely yours,
